## This Month

A number of our congregation return from the Keswick Christian Convention and an amazing time on the Lakes.

**Keswick  
CONVENTION**

God's purpose is to bring his blessing to all the nations of the world (Genesis 12:3). That promise of blessing, which touches every aspect of human life, is ultimately fulfilled through the life, death, resurrection, ascension and future return of Christ.

All of the people of God are called to participate in his missionary purposes, wherever he may place them. The central vision of Keswick Ministries is to see the people of God equipped, inspired and refreshed to fulfil that calling, directed and guided by God's Word in the power of his Spirit, for the glory of his Son. You can find out more by visiting [www.keswickministries.org](http://www.keswickministries.org).

We encourage all members of our church family to consider if they might join a growing band of church members at Keswick in 2024. Please speak to any of those who went this year and book accommodation as early as you can - there are a range of options from cottages to camping.

**The St Andrew's Kinson Gardening Club now  
meeting Every Monday during Summer/Early Autumn  
4pm - 7pm (Weather permitting)**

Richard & the Team are looking for a few more people to help maintain the churchyard. There are many and varied jobs to suit all - such as light weeding of beds, raking, pruning of hedges and general tidying as well as mowing (for the more able).

We have a lot of visitors in the churchyard and it is such a witness to them if the church grounds are kept well maintained. If you would like to help in this valuable ministry please contact Richard or Iain or any of the members of the Gardening Team. Thank you so much.
